NO. 5
Hacktoberfest
2018
INNOPOLIS
DigitalOcean
GitHub
twilio

Steps

- Register at github.com (if not yet)
- Register at the hacktoberfest.digitalocean.com
- Send pull requests
- Tell what you've done
- Win prizes

INNOPOLIS DigitalOcean GitHub twilio

Notice

Reporting issues is great, but you have to send pull requests in order to get most of the rewards.

Also note that hackathon (online part) is lasting for the the whole October. Don’t be too upset if you can’t make 5 pull requests today.

INNOPOLIS DigitalOcean GitHub twilio

DigitalOcean

Requirement: 5 PRs

Bounty: T-shirt + stickers

(More info at https://do.co/2QNwQmr)

INNOPOLIS DigitalOcean GitHub twilio

INNOPOLIS DigitalOcean GitHub twilio

Free idea #1

Search for Hacktoberfest-labeled issues on Github

INNOPOLIS DigitalOcean GitHub twilio

Free idea #2

Program that uses Github API and helps you to make a lot of PRs

innopolis DigitalOcean GitHub twilio

Free idea #3

Using linters to find issues in repositories. Send PRs that fix found issues

innopolis DigitalOcean GitHub twilio

Free idea #4

Review some code and send your corrections
(try to find a repo with bad code quality)

innopolis DigitalOcean GitHub twilio

Free idea #5

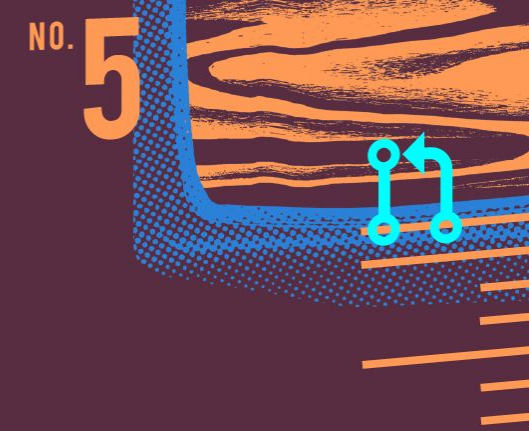
Seek for projects that track test coverage. Send PR that increases it (add tests)

innopolis DigitalOcean GitHub twilio

Free idea #6

Find projects with no documentation or examples. Send missing parts

INNOPOLIS DigitalOcean GitHub twilio



Free idea #7

Find someone who knows what to do around you, form a team and work together
